Public Transport

The HHH is located within walking distance of Utrecht Central Station.

Walking route (about 5 minutes)

Our building is situated near Utrecht CS. Walk towards the center. Follow the signs 'Taxi', walk towards the swing doors (on your right) and take the stairs. At the end of the square you will see the building HGB1 (see photo).

This situation changes regularly because of the many activities around the station.

Walking route (in case of bad weather conditions, approximately 10 minutes)

From Utrecht CS, walk towards Hoog Catharijne. Follow signs Godebaldkwartier. After approximately 100 meters you see the store of the Blokker on your right. Turn right here. This area is called: the Godebaldkwartier. Follow the corridor. At the end you will see supermarket Albert Heijn. At this point you see a revolving door, leave the building and take the escalator down. If you are outside you see diagonally right in front of you the building HGB 1 (see photo).

By car

From Den Bosch, Rotterdam, The Hague and Arnhem drive through junction Oudenrijn in Amsterdam direction. Take the exit Centre (8). Follow the signs and 'center' and 'P1 – Hoog Catharijne'.

From the parking garage you take the elevator to the store level Hoog Catharijne. Leave the building next to the HEMA store through the revolving door and take the escalator down. If you are outside you see diagonally right in front of you the building HGB 1 (see photo).

Address garage:

Garage Hoog Catharijne (P1)
